Re: Bellizzi, et al v. Islamorada Village of Islands
Case #: 10-CA-334-P

Date

Dear Clerk:

As property owner and resident of Venetian Shores, I believe that the streets of Venetian Shores now designated as public are public and should remain public.

I fully support Islamorada Village of Islands in this lawsuit since I believe that its position is in the best interests of the residents of Venetian Shores.

I am requesting both an opportunity to intervene in this case and a hearing on this request to intervene. I do not have attorney representation.

I certify that copies of this request are being sent to the attorneys listed below.

Sincerely yours,
